

Job Information

Company: Emergency Association of Yakima

Job Title: FNP

Location: Yakima, WA

Specialty: Urgent Care/ER

Schedule: Full Time **Term:** Permanent

Shift: Days

Additional Information:

Washington State. Urgent Care/ER FNP

Seeking FNP for a busy community hospital in Yakima, WA. This is an outstanding opportunity to grow your practice in a beautiful part of Eastern Washington. Yakima is located at the foothills of the Cascade Mountains and boasts 300 days of sunshine, strong economy, low cost of living and many opportunities for both single and married individuals.

Employment is with a private ER physician group with another experienced FNP on staff. Position is located in a hospital based, newly remodeled Urgent Care. On-site physician consult is immediately available. Candidate needs to be comfortable with independent practice and possess strong procedural skills. Clientele are of all ages, with many pediatric patients.

Spanish speaking a plus. This is a fulltime position with excellent compensation for the qualified applicant, relocation assistance negotiable. Washington license and prescriptive authority required or obtainable. Please send inquiries and/or CV to yakimafnp@gmail.com for immediate consideration.
